

Ancient Cedars

Mini ONE-NIGHT retreat Packages 2023 | 2024

Welcome

Hello! We are honoured that you are considering your retreat at Ancient Cedars Lodge.

We bought this property in 2019. Back then, there was a half built log home, a deteriorating barn filled with wood and many other areas that needed a lot of love. We spent the better part of 3 years finishing the lodge and refining our vision.

We met dancing in Whistler and quickly fell in love. We found this dream property on our one year anniversary and we haven't stopped dreaming since. We are so grateful to steward this land. We hope you love it as much as we do.
