

A romantic wedding scene set in a lush forest. A bride and groom are walking away from the camera down a dirt path. The bride is wearing a white lace gown and a floral crown, holding a bouquet. The groom is in a brown suit. They are surrounded by towering ancient cedar trees with thick, textured trunks. Sunlight filters through the dense green foliage, creating a dappled light effect on the ground.

# Welcome

Hello!

We are honoured that you are considering holding your wedding at Ancient Cedars Lodge. We found this dream property on our one-year anniversary in 2019 and haven't stopped dreaming since.

Back then, there was a half-built log home, a deteriorating barn filled with wood and many other areas that needed love. We spent three years finishing the lodge and refining our vision.

We are grateful to steward this land and hope you love it as much as we do.

Rebecca, Derek + Wiley
